Preliminary Programme

Madrid, Spain 25-27 September 2023

Day 1	Monday 25 September
	Reina Sofia Museum
8:00 - 9:00	Registration & welcome coffee - Auditorio & vestibulo
9:00 - 9:30	Welcome: Main Auditorium - Raquel Yotti, Spanish Ministry for Science and Innovation - Inmaculada Aguilar, General Director of FECYT - Inge Van Nieuwerburgh, OpenAIRE Master of ceremonies: Pilar Rico, FECYT
9:30 - 11:30	Room: Main Auditorium Keynote Speeches Keynotes: - Prof. Ana María Cetto, Instituto de Física, Universidad Nacional Autónoma de México (UNAM) and Chair of the UNESCO Global Open Science Steering Committee - Michael Arentoft, Head of Unit, European Commission, DG Research & Innovation, Open Science Moderator: Natalia Manola, OpenAIRE
11:30-12:00	Coffee Break
12:00 13:15	Room: Main Auditorium Panel Session: Research Assessment • Sarah de Rijcke (Leiden University) • Manuel Franco (citizen scientist UAH, ES) • Yensi Flores (CoARA) • Speaker TBC Moderator: Pilar Rico Castro, FECYT
13:15 - 14:15	Lunch: Vestibulo

Day 1	Monday 25 September	
14:15 - 16:15	Parallel workshops	
	Room: Main Auditorium Workshop 1: Reforming Research Assessment to Incentivise and Reward Open Science [Organizers: OpenAIRE AMKE, Athena Research and Innovation Center, ATHENA RC, Open Citations, Centro Nazionale di Ricerca, CNR, Technopolis Group, University of Minho, University of Ghent, CWTS, Leiden University]	Room: Sala Nouvel Workshop 2: UNESCO-LIBER hands-on workshop on adopting, adapting and taking advantage of the open science Recommendation toolkit [Organizers: LIBER - LIBEREurope.org, UNESCO Open Science Global Partnership, UNESCO]
	Room: Auditorium 200 Workshop 3: Digital Skills for FAIR and Responsible Open Science: Co-creating the Content, Structure and Pathways [Organizers: GARR, Italy, University of Edinburgh, United Kingdom, Technischen Universität Wien, Austria, Technische Universiteit Delft, Netherlands, Ss. Cyril and Methodius University in Skopje, Republic of North Macedonia, Aarhus University, Denmark, University of Minho, Portugal, Université Paris Cité, France, OpenAIRE AMKE, Greece, Charles III University of Madrid, Spain, Graz University of Technology, Austria, Dutch Techcentre for Life Sciences, Netherlands]	
16:15 - 16:45	Coffee Break	
16:45 - 17:45	Poster Session Posters presentation – minute madness Room: Sala Nouvel	

Day 1	Monday 25 September
17:45 - 20:00	Welcome Reception

Day 2	Tuesday 26 September	
	Reina Sofia Museum	
9:00 -10:45	Room: Main Auditorium Panel Discussion: Open Science & AI Speakers: TBC Moderator: Natalia Manola, OpenAIRE	
10:45 – 11:15	Coffee Break	
11:15 – 13:15	Parallel workshops	
	Room: Sala de Protocolo Nouvel Workshop 1: How Open Science and AI could Scale up the Circular Economy practice [Organizers: VITO, Belgium, Vlaanderen Circulair, Belgium, imec, Belgium]	Room: Main Auditorium Workshop 2: Open Science Knowledge Graphs: Transforming the Way we Manage, Explore, and Analyze Scientific Knowledge [Organizers: OpenAIRE, France, Athena Research Center, Greece]
	Room: Auditorium 200 Workshop 3: Implementing open science for all of Europe: ORE and other emerging models [Organizer: Open Research Europe]	
13:15 – 14:00	Lunch	
	Demos	
14:00 - 14:30	Demo session Room: Sala de Protocolo Nouvel 2 minute presentations	
14:30 - 15:30	Demo parallel presentations 3 sessions x 20 min Room: Sala de Protocolo Nouvel Demos:	

Day 2	Tuesday 26 September		
	1. The new Zenodo: a quick overview of Zenodo's new features 2. Activating Research collaboration through platforms: the VERA case study 3. Episciences: diamond open-access overlay journals 4. A tool to map Research & Innovation activities at the European University of Technology EUT+, leveraging open data and natural language processing	5. The FAIR extension: A web-browser extension that streamlines FAIR metrics evaluations for use in Researcher Assessment 6. Matilda: a bibliographic/metric tool for open science 7. Empowering research communities with OpenAIRE CONNECT 8. Large scale Deep learning techniques to monitor the openness of research data and software in France	9. SWISSUbase – The Collaborative Process Towards Rich Discipline-Specific Metadata 10. OIPub: Discover, Discuss & Share Research 11. The IntelComp Catalogue 12. Consocio Madroño's OpenDMP instance to support machine actionable and FAIR DMPs in Spain 13. A conceptual framework for researcher visibility and impact check tool at a South African university
15:30 – 16:00	Coffee Break		
16:00 - 17:30	Lightning talk sessions		

Day 2	Tuesday 26 September	
	Room: Main Auditorium Session 1 (8 lightning talks) 1. Publishing diamond open access overlay journals with the OpenAIRE services, Raphaël Tournoy, CCSD, France 2. Exploring trends and impact of scientific publications based on open access journals: an application in the archaeological research domain, Berta Grima, Nicolau Duran-Silva, SIRIS Lab, Research Division of SIRIS Academic, Spain, Paola Moscati, Alessandra Caravale, Institute of Heritage Science, National Research Council of Italy (CNR - ISPC), Bernardo Rondelli, SIRIS Lab, Research Division of SIRIS Academic 3. Reforming Research Assessment in Spain: the point of view of Quality Assurance Agencies, Ernest Abadal, Departament de Biblioteconomia, Documentació i Comunicació Audiovisual & Centre de Recerca en Informació, Comunicació i Cultura, Universitat de Barcelona, Candela Ollé-Castellà, Universitat Oberta de Catalunya, Remedios Melero, Institute of Agrochemistry and Food Technology, of Consejo Superior de Investigaciones Científicas (CSIC), Valencia, Spain Alexandre López-Borrull, Universitat Oberta de Catalunya	Room: Auditorio 200 Session 2 (8 lightning talks) 1. EOSC Knowledge Hub – Training Catalogue and Platform, Pedro Principe, André Vieira, University of Minho, Cosimo Vallo, LifeWatch, Shanmugasundaram Venkataraman, OpenAIRE 2. Open Science as transversal axis of the research management in MLIC universities, Gabriela Pino-Chacón, Universidad Nacional, Costa Rica, Costa Rica 3. Open science mini projects: Institutional support and strategic funding as a tool for increasing researchers' open science initiatives, Malin Fredriksson, Åbo Akademi University, Finland 4. University-led funding to foster transparent and reproducible research practices across disciplines, David Philip Morgan, Philipp Zumstein, Open Science Office, University 5. Research services step forward! Our role advancing understanding of Open Science, Charlotte Mitchell, Pilar Pousada Solino, University of Lincoln, United Kingdom 6. Strategies for evaluation of research from repositories, Andrea Marín Campos, Universidad de Costa Rica, Costa Rica 7. Boosting Community Engagement: the Open Science Community Incubator Program (Skills4EOSC), Loek Brinkman, DANS, The Netherlands, 8. Open Education in European Libraries of Higher Education: current situation and recommendations to foster OER, Gema Santos-Hermosa, University of Barcelona, Spain, Rocío Serrano-Vicente, University of Navarra, Spain

Day 2	Tuesday 26 September	
	4. Embedding rights retention and open licensing into Open Access policies, Jon Treadway, Great North Wood Consulting, Vanessa Proudman, SPARC Europe, Iva Melinščak Zlodi, University of Zagreb, Ignasi Labastida, Universitat de Barcelona 5. Promoting trust in preprints by linking peer reviews to preprints via Europe PMC, Melissa Harrison, EMBL-EBI, United Kingdom 6. Measuring the quality of diamond journals in public universities in Costa Rica, Alexa Ramirez-Vega, Instituto Tecnológico de Costa Rica, Andrea Marín-Campos, Universidad de Costa Rica, Andrea Méndez-Solano, Universidad Técnica Nacional, Andrea Mora-Campos, Universidad Nacional, Carolina Seas-Carvajal, Universidad Estatal a Distancia, Fabiola Campos-Jara, Universidad Nacional, Jason Enríquez-Fallas, Universidad Nacional, Jorge Polanco-Cortés, Universidad de Costa Rica, Meilyn Garro-Acón, Universidad de Costa Rica, Steven Segura-Jiménez, Universidad Estatal a Distancia 7. Alternative publishing platforms: where do we stand in 2023?, Jean-Francois Lutz, University of Lorraine, Jeroen Sondervan, Dutch Research Council (NWO), Anna Mette Morthorst, The Royal	

Day 2	Tuesday 26 September	
	Library, Knowledge Exchange 8. Generative AI systems for research and non-research purposes: surveying the stock images and academic publishing fields, Thomas Margoni, KU Leuven - CiTiP, Belgium, Sean Flynn, American University - PIJIP, Luca Schirru, KU Leuven - CiTiP, Belgium	
	Room: Sala de Protocolo Nouvel Session 3 (8 lightning talks) 1. IntelComp STI Data Space, Androniki Pavlidou, Haris Papageorgiou, Antonis Lempesis, Stefania Martziou, Athena Research & Innovation Center (ARC), Greece, Natalia Manola, Athena Research & Innovation Center (ARC), Greece, OpenAIRE 2. From web access to knowledge access:	

Day 2	Tuesday 26 September	
	Overcoming digital divides in marine research, Lennert Tyberghein, Marc Portier, Katrina Exter, Lennert Schepers, Flanders Marine Institute, Belgium 3. Research objects FAIRness assessment for Earth and Environmental science applications, Christelle Pierkot, CNRS, Data Terra, Marine Vernet, Ifremer, Data Terra, Katrina Exter, Vlaams Instituut voor de Zee (VLIZ), Simona Simoncelli, Istituto Nazionale di Geofisica e Vulcanologia (INGV), Charles Troupin, University of Liege, Maria Luisa Chiusano, Unina 4. Enhancing FAIR Compliance in Research Data Infrastructures: Insights from Applications of the RDA FAIR Data Maturity Model and the F-UJI Automated FAIR Data Assessment Tool, Janete Saldanha Bach, Brigitte Mathiak, Yudong Zhang, Peter Mutschke, GESIS – Leibniz Institute for the Social Sciences, Germany 5. Falling through the Cracks: Participatory Research and the Puzzle of Grey Literature, Neil Coleman, University of Edinburgh, United Kingdom 6. A new way for researchers to deposit files in HAL, the French Open Archive, Yannick Barborini, Bénédicte Kuntziger, Philippe Chan, Center for	

Day 2	Tuesday 26 September	
	Direct Scientific Communication (CCSD) - CNRS 7. Towards reusable qualitative data: lessons from the QualiFAIR project, Agata Bochynska, Torgeir Christiansen, Maria Dikova, Kirsti Klette, University of Oslo, Norway 8. “Everything I count, I count it for you”. How usage statistics can measure research, beyond views and downloads	
19:00 - 23:00	Social programme Visit to Reina Sofía Museum & Conference Dinner at Nubel restaurant	

Day 3	Wednesday 27 September	
Venue	Ateneo de Madrid	
9:00 - 11:00	Parallel workshops / Panel Session	
	Room: Sala La Cátedra Panel Discussion on Emerging publishing models	
	Room: Sala Ramón y Cajal Workshop 1: What do you need? A collaborative approach to understanding OER requirements across all stakeholders [University of Vienna, Austria]	Room: Sala Ciudad Úbeda Workshop 2: Open Science Game: Open Up Your Research [UZH, Switzerland]
11:00 - 11:30	Coffee Break ☕	
11:30 - 13:30	Parallel workshops	
	Room: Sala Ramón y Cajal Workshop 1: Improving the efficiency and quality of institutional OA publishing [Organizers: EIFL, Lithuania, SPARC Europe, The Netherlands, cOAlition S, Belgium, OPERAS AISBL, Belgium]	Room: Sala La Cátedra Workshop 2: Beyond DSpace 7: the FAIR Repository Platform [Organizers: 4Science, Italy]
	Room: Sala Ciudad Úbeda Workshop 3: Navigating data lakes for Earth and marine science: FAIR Data management and Service Interoperability in practice [Organizers: Trust-IT Services, Italy, MARIS, VLIZ, CNRS, IFREMER, Neovia]	
13:30 – 14:00	Room: Sala La Cátedra Closing session and closing remarks	
14:00 – 15:00	Closing lunch
