

EOSC FAIR
Executive Board Working Group

The FAIR Working Group

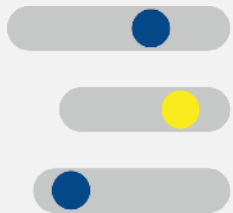

Marta Teperek

TU Delft

m.tepererek@tudelft.nl

(member of the FAIR WG)

EOSC FAIR

Executive Board Working Group

Chair: Sarah Jones
Independent Expert

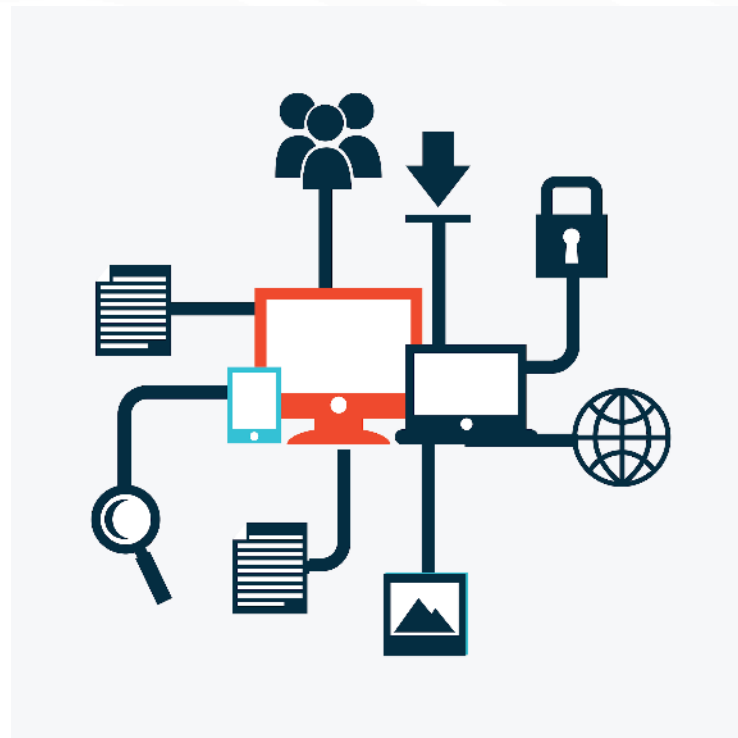

WHAT

Provide recommendations on the implementation of FAIR, including corresponding requirements for services, in order to foster cross-disciplinary interoperability

Connect people, data and service via standards

Be the glue

All the fun of the FAIR

Keep up to date with progress on the EOSCsecretariat blog:

<https://www.eoscsecretariat.eu/news-events-opinion/opinion>

FAIR WG teams (and leaders)

Dynamic Duo
- Rob Hooft
- Marta Teperek

Semantic specialists
- Oscar Corcho
- Krzys Kurowski

FAIR practice

Interoperability

PID policy

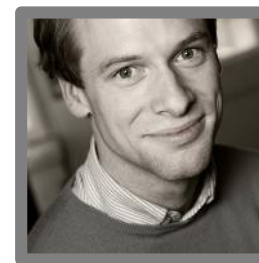

Metrics &
certification

Identifier nerds
- Peter Wittenberg
- Rachael Kotarski

Research leads
- Francoise Genova
- Magnus Aronsen

Key deliverables

- Metrics for FAIR data and repository certification
 - First version due Q4 2019 and final version Q4 2020
- Persistent Identifier policy
 - With Architecture
 - First version due Q4 2019 and final version Q4 2020
- EOSC Interoperability Framework
 - Using FAIR practice outcomes as an input
 - With Architecture and Rules of Participation
 - Due Q3 of 2020

Question to you

What activities and outputs do you have that are relevant to our remit?

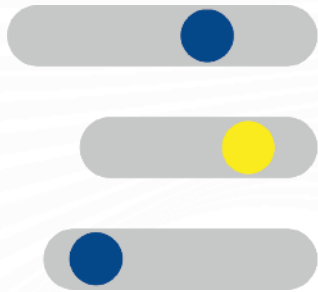

- FAIR practice, standards for interoperability, PIDs, FAIR metrics and service certification

Funding opportunity

Co-Creation Requests:
